# Nordic Private Collections of Chinese Objects

**Minna Törmä**, University of Glasgow

*Series: The Histories of Material Culture and Collecting,  
1700-1950*

This book explores the ways in which Nordic private collectors displayed their collections of Chinese objects in their homes. This leads to a reconsideration of how to define collecting and display by analyzing the difference between objects serving as decorative or collectible items, while tracing collecting and display trends of the twentieth century. Minna Törmä examines four Scandinavian collections as case studies: Kustaa Hiekka, Sophus Black, Osvald Sirén and Marie-Louise and Gunnar Didrichsen, all of whom had professional backgrounds (a jeweler, two businessmen and a scholar) and for whom collecting became a passion and an educational endeavor.
